

Trustworthy AI for Business and Society

Business Analytics MSc Course

**Tabea Röber
Feb 6th 2025**

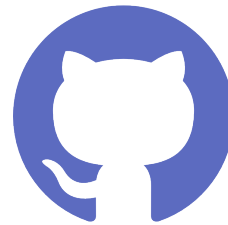

Tutorials & Assignments

- Tutorials are on Thursdays, 11am-1pm
- Starting week 2, there will be weekly assignments

	When accessible?	Deadline handing in
Assignment 1	Feb 13th	Feb 20th, 10:00 am
Assignment 2	Feb 20th	Feb 27th, 10:00 am
Assignment 3	Feb 27th	March 6th, 10:00 am
Assignment 4	March 6th	March 13th, 10:00 am
Assignment 5	March 13th	March 20th, 10:00 am

- Hand in assignments via Canvas
- Material for tutorials will be published via Github

We'll be using Github

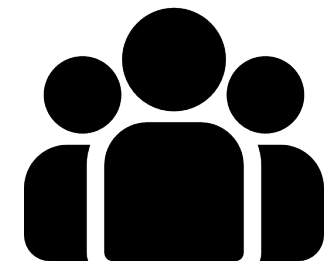

public repository

https://github.com/tbearoeber/trustworthy_ai

pushing (updated) tutorials,
datasets, assignments, etc.

pulling material

FYI: It's probably best to **create a copy of the tutorial & assignment files in which you will be working (give it a new name)**. This way, in case I need to update material later on, there will be no clashes with changes made by you.

Questions

- Individual questions: t.e.rober@uva.nl
- Questions about material: Discussion board on Canvas
